This record group is comprised of a small booklet on the life of Professor William Gallogly Moorehead and a son, Warren King Moorehead, a noted archeologist, as well as writings by the former. His works include materials from his time as missionary to Italy (1862-1870), a \( \frac{1}{2} \)" packet of it written in Italian. There is a small booklet, entitled *I Cristiani Evangelici Ai Preti Di Terni*, lecture notes, sermons and manuscripts for his multiple publications of Biblical studies, both Old and New Testaments. A lecture reporting events of the Vatican Council of 1870 is also included.
