JAMES LEON KELSO
(1892-1978)

79:1

Transferred from Family
This record group includes biographical information, personal papers, photographs, and tributes to Dr. Kelso and his work. There are lecture notes for Biblical studies and Hebrew. Articles by and about Dr. Kelso, voluminous correspondence, (notably, a large body with William F. Albright). Reports and photographs related to archaeological expeditions are included. Additionally, correspondence and other memorabilia address the year, 1952, when James Kelso served as Moderator of the United Presbyterian Church (NA). An exchange with the Embassy of Israel speaks clearly of a denominational protest against Israeli policy regarding its Arab/Palestinian neighbors. Correspondence, dating from 1926 until his retirement, attests the concern of Dr. and Mrs. Kelso for the Palestinian people. Six linear feet.
